Prefabulous Project Management Delivering for our Client

- **Professional approach** to meeting the needs of our commercial customers. Providing detailed quotations and recommendations to achieve your goals.
- **Comprehensive site assessment** with our client for design and commercial goals of the Tourist Park.
- **Services assessment**, timing, safety and planning for delivery and installation.
- **Collaborating with project manager and park manager** for co-ordination of delivery and installation with consideration for existing assets and guests and staff wellbeing and safety
- **Safe work assessment** and practices for site preparation and delivery
- **Pre-delivery and post delivery inspections** and 90 day defect follow-up.
- **Prefabulous takes pride** in all aspects of installation and delivery, removing rubbish and debris and ensuring all aspects of the module handover is co-ordinated in a professional manner to the operator. To include compliance certification, manuals, keys, warranty, paint colours, care and maintenance and 90 days defect checklist
